Baby's Future.

The fond mother dreams great dreams of baby's future as she holds the sleeping little one in her arms. But the dreams will never come true unless she has given him a strong body and a healthy mind. Children die in hosts, or live to struggle through life feeble of body and dull of mind because the mother was unfit physically and mentally for motherhood. Women who use Dr. Pierce's Favorite Prescription endow their children with strong bodies and bright minds. It is every mother's duty to give her child the advantages of a healthy body and mind. A weak or sickly woman cannot do this. "Favorite Prescription" makes weak women strong and sick women well.

Mrs. Orrin Stiles, of Downing, Dunn Co., Wis., writes: "I have been intending to write to you ever since my baby was born in regard to what your 'Favorite Prescription' has done for me. I cannot praise it enough, for I have not been as well for five years as I now am. In July last I had a baby boy, weight 11 pounds, and I was only sick a short time, and since I got up have not had one sick day. I have not only surprised myself but all of my friends here are surprised to see me so well."

Dr. Pierce's Pellets cure biliousness.

In all its stages this should be eliminated. ELY'S CREAM BALM cleanses, soothes and cures. It cures catarrh and drives away a cold in the head quickly.

CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large size, 50c at drugists or by mail. Trial size, 10c sent by mail. ELY BROTHERS, 56 Warren street, New York.

FOR OVER FIFTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

The stomach controls the situation. Those who are heavy and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure directs what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it.

A CARNEGIE SPITE WALL.

Andrew Carnegie is soon to erect a marble "spite wall" that will cost \$500,000. It will separate his Fifth-avenue palace and grounds from the Madison-avenue in New York houses at the rear, and thus he solves the vexed problem of neighbors. When Mr. Carnegie settled upon a mansion in Fifth avenue, with grounds extending from Ninetieth to Ninety-first, his design was to buy the entire block, including the Madison-avenue frontage. But the Madison-avenue property-owners put their prices up to prohibitive figures so that the steel king was driven to other plans. These culminated in the "spite wall," for which instructions were given Saturday to his architect, Babo, Cook & Willard. Ornamental marble will be the fabric, rising to a height of forty-five to fifty feet, and fashioned after the general idea of the Plaza del Torador in Madrid. Bas-reliefs and sculptures will be carved on its facade by artists whose genius are of universal fame. Plans for the west and northwest facades have already been submitted to Mr. Carnegie, in preliminary sketches, and those who have been fortunate enough to see them declare they are of classic beauty. Originally the intention was to have carriage houses and automobile quarters at a corner of the grounds. But there they would have been hidden from the mansion a section of the magnificent "spite wall," with its carvings, so sculptors and architects were agreed that they would be placed elsewhere. That is why Mr. Carnegie bought the 51-foot plot on the north side of Ninetieth street just east of Madison avenue. He will erect his stable there. The cost of this section will be \$500,000, perhaps more.

REMOVING A LANDMARK.

The work of tearing down the famous Stewart house, at Thirty-fourth street and Fifth avenue, New York, which was begun about a week ago, has attracted considerable attention. It has caused hundreds of persons to visit the premises in hope of gazing upon the rich result of the labors of the architect, the painter and the skilled artisan, so long hidden from the public eye. Only a small number of persons without permit have succeeded in evading the vigilance of those who are engaged in razing the building, though thousands have desired to get inside to inspect the masonry doors, the marble stairways, the marble floors, and the frescoed ceilings, and to see that they had set foot in every room in the famous house which A. T. Stewart built for his own occupancy. The workmen employed in the task of razing the building refer to it as the marble quarry. There is marble on every hand, and the pieces were put together or rather in place as though to remain where they were laid for all time. To loosen the pieces is as difficult almost as cutting, it is said, through a solid slab of marble. The few persons who have had the privilege of inspecting the house since the work of tearing it down was begun have been especially attracted by the stairway directly opposite the main entrance. This stairway is entirely of marble. Besides this stairway there is an iron one in the rear for the use of the servants and also an elevator. What will become of the building material cannot be definitely said at the present time. It may be used in the construction of other houses or one large building or for cemetery vaults. The marble floors are said to be in just as good condition as the day they were laid.

A Good Cough Medicine for Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well-known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by Richard Gibson, druggist.

Announcement.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price, including the spraying tube, 75 cts. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions, but changes them to a natural and healthy character. Ely Brothers, 56 Warren street, New York.

Like Oliver Twist, children ask for more when given One Minute Cough Cure.

Mothers endorse it highly for cough. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for croup and asthma and has long been a well known remedy for whooping cough.

GIRL STUDENTS' WILD REVEL.—Behind barricaded doors and shuttered windows the girl students of the University of Chicago held secret revel Saturday night, giving their first and only performance of the Midway extravaganza, a circus whose startling features put all others to shame.

The performers were all women of Kelly Hall, who had planned the entertainment. There were acrobats, jugglers, equestriennes and clowns, while the women from the other halls acted the part of spectators in a country circus, dressed in outlandish garb. The most daring masqueraded in men's attire, appearing as farmers and village characters, while others played the roles of farmhand wives, or donned schoolboys' knickerbockers.

The programme was not made public. Miss Robertson, the head of Kelly Hall, called a meeting of the women in the hall Friday night, and pledged each one to silence. Tickets were then distributed, with the bearer's name inscribed, to prevent any mistake of identity. Even the posters announcing the affair are hidden from prying eyes.

Prof. Wilson, of Lonsdale, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat.
